

THINKS BOLSHEVIKI WAR ON U. S. SHORT-LIVED

Charles Rosenthal, Native Russian and Loyal American, Expresses Views.

When interviewed Friday morning in regard to the effect of the declaration of war on the United States by the bolsheviks of Russia, Charles Rosenthal, prominent Chattanooga merchant who is a native of Russia and a man who has closely studied the Russian situation, said that he thought that the declaration is of little importance for the bolsheviks will be wiped out in a short time.

He said that the move might be a slight impediment to the work of the allies in helping Russia to be liberated from Germany. "Although we are in Russia for the purpose of dividing the attention of the German army primarily, we are also there to prepare the Russian people for liberation from Germany," he said. "We fully realize that peace cannot be declared until the Russian people are freed from Germany."

"The bolshevik party is composed of men who want to gain things for which they have not worked," he continued. "The sober-minded and thinking people of the nation are not going to succumb to the extreme socialist standards set by this party. The thinking people want personal liberty

and they are going to do most anything to keep it so the bolshevik party cannot exist much longer.

SQUIRE EAGAR ASKS FOR OVERSEAS "Y" SERVICE

Squire H. H. Eagar has filed his application for Y. M. C. A. service in France, and yesterday afternoon passed the physical examination successfully. Squire Eagar stated Friday morning he was waiting only for the call now and was ready and anxious to go overseas. Squire Eagar is the third one of his family to join the colors, his two brothers, Sgt. Calhoun Eagar and Corp. Charles Eagar, now being somewhere in France. Sgt. Eagar belongs to the 40th engineers, 82d division, and Corp. Eagar is a member of the 328th infantry, 82d division. Both of Squire Eagar's brothers were soldiers before the present war broke out, having served in the Spanish American war and on the Mexican border. Squire Eagar is present representative from the Mission ridge district, but his term of office will expire Sept. 1. There is no better known or more popular young man in Hamilton county than Squire Henry Eagar and his administration of the office he was elected by the people, has been a source of much pride to his many friends. By the fair and impartial administration of the affairs of his office he has won the admiration of the entire bar who will miss him, but wish him Godspeed in his excellent and patriotic undertaking.

ST. PAUL'S TO CELEBRATE
ST. BARTHOLOMEW'S DAY
A special service in observance of St. Bartholomew's day, one of the most memorable festivals of French Huguenots, and therefore one of the days for the allies of France to honor, will be held on Saturday morning at 10 o'clock at St. Paul's church. A brief address by Rev. Mr. Kinsolving will be heard, in addition to the usual saints' day service. The public is invited to be present.

SQUIRES MEET TO CONTEST REDISTRICTING ACT

The old members of the county court met at 3 o'clock this afternoon for the purpose of discussing the idea and plan of attacking the new redistricting bill and enjoining the new members of the court from serving in the court. The meeting will be held at the office of Squire Slater Connor at corner of Main and Market. It is understood that Squire Connor is the leading spirit in the movement. Several justices, when seen Friday, talked reticently about the meeting and aside from admitting there was going to be such a meeting refused to discuss its object. It is the idea of the old members of the court, as was predicted in the News several days ago, to employ an array of counsel and contest the new redistricting in its every phase. Who will be lawyers for the move are could not be learned Friday.

TWENTY-ONE-YEAR-OLD YOUTHS REGISTER FOR SERVICE TOMORROW

Tomorrow, Saturday, beginning at 7 o'clock in the morning and lasting until 5 p.m., the local draft boards will register all of the young men in the county who have attained the age of 21 years since June 3, 1918.

All who live in the city in the First, Second, Third, Fourth and Sixth wards will register at the office of city board No. 1, which is in the Times building. All who live in the city in the Fifth, Seventh, Eighth, Ninth, Tenth and Eleventh wards will register at the office of city board No. 2, which is on the seventh floor of the Hamilton National Bank building. Those who live outside of the city limits, and north of the river, will register

at county board No. 1, which is at the north end of the Walnut street bridge and in the office of Dr. W. M. Bogart. The rest of those living in the county, namely those who live outside of the city limits and south of the river will register in the office of county board No. 2, which is on the eleventh floor of the Hamilton National Bank building.

The only exception to this is in the case of the men of the orthodox Jewish faith, who may delay their registration until Monday, if they so desire. Men in the army, navy, marine corps or allied military and naval branches of the government are not required to register. Those who are not within the United States at the time are required to register

within five days of their return and those who are too ill to leave their homes must register by agent, the procedure being explained upon application at the local boards.

This is the first of the quarterly registrations, and hereafter registrations will be held at intervals of three months. By this method men attaining their majority will be inducted into the service almost immediately after registering.

Paris, Aug. 23.—In special type L'Heure prints prominently this enigmatic note:
"Will the echo to the great Bertha soon be heard? Will that echo have a Yankee accent?"
